

Cosmetic Consultation

Before embarking on any treatments, AK Care recommends to have a one to one consult with Dr. AK or our aesthetician. During this session skin and facial assessment will be done. Mutual decision is made as to what treatments can be done. As you all may know, medical and cosmetic skin care is overlooked in lots of people Home regimen remedies and professional treatments are routinely needed based on your skin type, colour, ageing and expectation. We ensure that all our patient stay happy and satisfied in their skin.
